Hi Nova-

I am filing a formal appeal to the Records Committee for a Wasatch School District GRAMA request dated July 18, 2016 that was denied (attached). There is also email correspondence below. We also filed another Grama Request dated Aug 11, 2016 where we asked for a couple more documents, where one was also denied.

The Wasatch School District just hired another superintendent in July, but unfortunately there was no public input, nor update for the public, while they conducted the process.

We filed this GRAMA request to see what their superintendent hiring process was, and it was completely denied under the privacy section of the code.

This information is for the public good, since we share all our GRAMA requests with our citizens on our website:

I have more documentation to share, as soon as you let me know what you need.

Thank you for your time,

Tracy Taylor
